MEMORANDUM FOR ALL ALCOHOL AND DRUG CONTROL OFFICERS

SUBJECT: 100 Days Of Summer

1. The 100 Days Of Summer is a national awareness campaign representing one of the most dangerous and deadliest times of the year on the nation's roadways due to alcohol consumption. This campaign begins with Memorial Day, continuing through the Fourth of July and ending with Labor Day.
2. The 100 Days Of Summer provides an ideal opportunity for Army installations to highlight their continuing commitment to maintaining a safe, alcohol-free workplace and community, and for the local Army Substance Abuse Program organizations to showcase their services.
3. The goal this summer is to remind everyone to designate a sober driver before heading out to the beach, the lake, the mountains, their favorite summer concert, the ballpark, or just going to a barbecue or picnic with friends. Go to [www.acsap.army.mil](http://www.acsap.army.mil) for additional links that will support the 100 Days Of Summer.
4. Please continue to promote your ASAP, as you have in the past.
